

Dear customers,
At SSM, we always put you first and listen to the views expressed by you.

This uncertain market conditions and the need to maintain the same price for a month has left us and our customers the ability to react dynamically to market conditions.

Hence, the fixed pricing system with keeping the same price for a month has been stopped. Moving forward, kindly ask for the latest price list with the current date mentioned. As usual our team will assist you with all your enquiries and requirements.

Thank you for your continuous support.

SRI SHANMUGAVEL MILLS (P) LTD
